Treasure Report(s): Mike Spivey not available. Should have a report for the past months at our February meeting.

Police Report: Officer Christopher was detained at a prior meeting, no report available.

Speaker(s):

Vicki Almond, Councilwoman, 2nd District Baltimore County Council – gave a little personal history. Gave a little history of her journey to this place in time, with 30 years of volunteerism, elected in 2010 to county council. Now has 8-year experience on county council. Addressed several of the school issues, looking forward to a different feel to the school board in 2018. We need to partner with some of the local trade unions to provide opportunities for those children that are not planning on going to college. Discussed neighborhood policing, feels strong about get back to community policing. Looking to serve small business with resources and help. Want to help communities/neighborhoods by paying attention to small details within communities/neighborhoods that can make a large impact with minimal costs and effort. Redevelopment going forward with the lack of county property will be challenging but we can look at some of the old strip mall areas and neglected areas that are becoming an eye sore. Opened the meeting to questions from the floor.
